## U. S. Offensive In Korea Pushes Reds Back Two Miles On 20-Mile Wide Front

### B-29 Bomber Crash Kills 17, Civilians Hurt

Trailer Camp Levelled By Bomb Blast; Plane Falls During Takeoff

FAIRFIELD-SUISUN AIR BASE, Calif., Aug. 7—(AP)—Flaming gasoline and exploding bombs shattered a crippled B-29 bomber into bits Saturday midnight, killing 17 Air Force men.

Two others were missing and 60 or more persons were injured, some seriously. Many of the injured were Air Force personnel and their families, living in a trailer camp only 150 feet from the scene.

Bombs leveled the trailer area "like a giant had stepped on them," a witness related.

Among the dead was Brig. Gen. Robert F. Travis, 45, much-decorated commander of the base, leader of the Ninth Heavy Bomber Wing here and hero of World War II. He was riding behind the pilot.

Both the plane commander and the pilot were among eight of the 20 men aboard who escaped alive. They had made an emergency belly landing. The fire and explosion came several minutes later.

Recover 17 Bodies  
Seventeen bodies have been recovered. The two missing men were crew members. The four-engine aircraft crashed and exploded shortly after takeoff for a long range training mission.

The bodies of ten men who were in the plane were recovered. The other dead included three members of the base fire department and a volunteer fire fighter. Three other dead were unidentified.

Base headquarters said Capt. E. Q. Steffen, 28, of East Chicago, Ind., the plane commander, was at the controls. His injuries were listed as not serious.

Both inboard engines developed serious trouble as the wheels of the heavily laden bomber left the runway. The pilot told the control tower he couldn't raise his landing gear. This caused further drag.

He couldn't lift the plane more than 200 feet. Low hills confronted him. He tried to get back to the runway.

He almost made it—needed less than a minute more.

Sgt. R. H. Lewis, Clay, Ky., watching as the troubled ship came swinging in on a 180-degree turn, said:

"Suddenly it straightened out, leveled and smashed its left wing into the ground."

There was a grinding, crushing roar. The landing gear crumpled. The big ship gouged a trench and settled in it.

Its 2,000 gallons of high test gasoline spilled and fires began.

Carried 12 Bombs  
The bomber carried 10 to 12 five hundred pound demolition bombs. Eye-witnesses said the bombs began to explode in 10 to 20 minutes.

Sgt. Lewis said one dazed man came from the plane soon after it hit, and . . .

"I could hear men shout 'Let's get out of here. There are bombs on there.'"

### Salem's First Casualty

### Pfc. George Gfeller, 20, Dies In Korea Fighting

Pfc. George Gfeller, 20, one of the few Salem men serving in the Korean war zone, was killed in action on the central front July 24. He was the city's first casualty in this war.

His parents, Mr. and Mrs. Oscar Gfeller of 532 Bank st., received notice of his death this weekend from the Defense Department.

Pfc. George Gfeller

Pfc. Gfeller had enlisted in the army on Oct. 18, 1948, and trained at Fort Knox, Ky. He was sent to Japan in March of 1949 with the 61st Field Artillery Battalion, First Cavalry Division.

The First Cavalry had landed unopposed at Pohang, 66 miles north of Pusan on the east coast of Korea July 18. It was the first amphibious landing of the war.

Born in Salem Feb. 13, 1930, Pfc. Gfeller attended schools in Salem and was employed by the Salem China Co. before entering the service.

Besides his parents, he is survived by a sister, Mrs. George Leonard of R. D. 3, Salem, and by his grandparents. A brother, Oscar, Jr., preceded him in death.

Pfc. Gfeller received a special army commendation for efficiency as a soldier while serving in the states.

### Truman Sure Of New Powers

Controls Bill Comes Up Tuesday In Congress

WASHINGTON, Aug. 7—(AP)—President Truman appeared certain today to get broad powers to cope with crisis-born inflation trends, but congress was fretting over how to give them to him.

Banking committees of the house and the senate called meetings for today in an effort to untangle the legislative knot that stymied action last week.

To give its committee time to work out a compromise, the house tossed aside the controversial controls bill until tomorrow after having spent almost all of last week getting nowhere.

Its leaders said they were confident now that a compromise would be forthcoming in time for house passage Wednesday. Spokesman for the disputing groups which have held up action said they were ready to come to terms.

The terms on which they seemed likely to agree would give the President stand-by authority to:

(1) Allocate materials and say who has first call on them, (2) invoke wage and price controls, (3) order rationing of scarce materials, (4) make government loans to spur production and (5) control the extension of credit.

This is more than Mr. Truman asked but he has indicated willingness to accept it all if congress doesn't make the legislation too rigid for his taste. Specifically, he says he doesn't want a bill which would automatically impose wage and price controls once the cost of living has reached 5 per cent or so above the June 15 level. He holds that would be an invitation to a 5 per cent rise.

The house, which voted for a mandatory automatic control provision and then reversed itself, appeared ready to let the President have his way on the subject. The senate banking committee has voted to give the President the free hand he asked on this.

### Water Supply Gains; Reservoir Up 4 Feet

The water supply at the city reservoir is now up to seven feet, gaining four feet since last Wednesday when Mayor Harry Vincent issued an appeal to conserve.

A gain of 1.4 feet was noted over the weekend, which is about normal increase, Water Superintendent B. V. DeVier said. So far, the daily gain has almost equalled the foot-per-day recovery requested by the water department in order to bring the supply back to normal.

### U. S. Not Yet Ready For Big Offensive

WASHINGTON, Aug. 7—(AP)—The Defense Department cautioned today against considering the day's front-line developments in Korea as the opening of any general American offensive.

"Probably what is going on now should be called offensive action rather than a general offensive," briefing officers said.

"We do not think the time has arrived yet for U. S. and South Korean forces to roll the enemy back all along the line."

The officers said American ability to stage forays behind the Red lines is "a very healthy sign."

"We are going to stay in South Korea and hold our beachhead there, and break out of it when we have the means to do it," they added.

Briefing officers noted that the United Nations has achieved domination of both the air and the sea in the Korean theater and that the build-up of troops and equipment is proceeding without interruption from the enemy.

They took note of an increase in Allied attacks on enemy barges, boats and small ships.

"Obviously, the Reds are trying to use any and every means to get their men and supplies to the front," officers commented.

They particularly noted carrier plane strikes on troop movements between Seoul and Inchon. The road westward from Seoul leads only to the port, signifying to military spokesmen that the Reds are stepping up their efforts to "sneak small boats around the islands" that dot the west coast of the Korean peninsula.

### 15,000 Ohio Men Facing Draft Exams

COLUMBUS, Aug. 7—(UP)—Col. Chester W. Goble, state selective service director, announced today that 15,000 men would be called for pre-induction physicals in September to meet Ohio's October draft quota of 2860 men. Goble said 11,000 men have received orders for physicals to meet Ohio's September draft call.

### Firemen Answer Calls To Two Minor Blazes

Firemen answered a call to a scare fire at 9:27 a. m. today to the home of Percy Callahan, 971 E. Third st. where trash burning in the furnace caused smoke to fill the house. No damage was caused.

Pouring gasoline in the carburetor of the car of Wayne Benjaum, R. D. 5, Salem, ignited and set off a small fire at 9:57 p. m. Sunday. The fire was extinguished before arrival of firemen.

### Eleven Hurt In 8 Traffic Mishaps

7 People Injured In Route 14 Crash

Eleven people were injured in eight weekend accidents on Salem area highways. Fifteen cars and a truck were involved in the mishaps.

Seven were treated at City Hospital after they were hurt in an accident at 9 p. m. Sunday on Route 14 at the Salem city limits. Three cars operated by Albert Gramm, 32, of Pittsburgh, Joseph Gramm, 32, of McKeesport, Pa., and Pete Mallory, 39, of Washington, D. C., were stopped on the highway when a semi-truck driven by Wesley Duncan, 26, of Cleveland ran into the rear of the Mallory car, pushing Mallory into Falls, and Falls into the rear of the Gramm car.

Five passengers in Mallory's car, all of Washington, D. C., were treated. Otis Johnson, 22, received chest contusions; William Johnson, 25, contusions of the right shoulder; Gerald Barnes, 26, contusions of the neck, chin and shoulder; Marion Mallory, 23, sprained neck, and Pete Mallory, abrasions and contusions of the right leg.

Isaac, Saka, 30, and Shirley Falls, 20, each had leg contusions. They were passengers in Joseph Falls' auto.

Duncan was arrested for reckless operation and was cited to appear before Mayor Harry Vincent.

Motorist Injured  
Edward Moleterno, 19, of Chicago is in City Hospital for treatment of lacerations of the head, bruise burns of the chest and lacerations of the hip received in an accident at midnight Saturday on Route 30, west of Lisbon.

State patrolmen said the accident occurred when he attempted to pass the car driven by Floyd Shultze, 38, of Leetonia. Moleterno failed to clear the Shultze vehicle and his car went into a spin, left the road and hit a tree. Moleterno was thrown out of his auto.

### Passenger Hurt

Ira Weekley, 47, of Ravenna, a passenger in the car driven by Jack Jackson, 24, of Toronto received bruises of the leg and laceration of the left eye when Jackson's car wrecked after he lost control on a turn.

Charles Skinner, 20, of Empire, another passenger, received slight lacerations of the eye.

### Two Cars Sideswipe

No one was hurt in a two-car accident at 5 p. m. Saturday on Route 14 at the junction of Greenford rd. when the autos operated by John Sanders, Jr., 49, of R. D. 5, Salem, and William Saunders, 18, of R. D. 5, Salem, sideswiped.

Saunders was taken before Mayor William Unger of Sebring, Turn to ELEVATOR HURT, Page 12

### Lions Club To Hear Report On Convention

President Donald Cannon will report on the Lions national convention in Chicago when the Lions Club meets at 6 Tuesday at the Lape Hotel.

Plans also will be discussed for the two outdoor events this month, the family picnic meeting Aug. 16 at the country club and the wiener roast Aug. 22 at Dunn Eden Lake. A directors meeting will be held following the meeting.

### Toledoan Heads Ohio Legion

Salem Band Second In Musical Event

CLEVELAND, Aug. 7—(AP)—Ligouri A. Dusseau of Toledo was elected commander of Ohio's American Legionnaires today in their final convention sessions.

Dusseau is unopposed so far for the post now held by Bruce P. Henderson of Warren. Dusseau is present in vice command.

In surprise action yesterday, the Legion voted down a resolution opposing "participation by the United States in any world government, under any guise."

Among resolutions passed were those that asked: That the proposed Ohio turnpike be named the "American Legion Highway." That the state assembly take steps to rehabilitate 1,500,000 acres which they claimed were "decimated" by the strip mining and erosion.

That the proposed air force academy be placed at Lockbourne air base near Columbus, that Ohio law be amended so that public office holders and educators will be required to take loyalty oaths and that the Communist party be outlawed.

Winners in yesterday's parade of 21 bands and 27 drum and bugle corps were:

Best senior drum corps, Elyria; best senior band, Portage post 496, Kent; best drum majorette, Massillon 221, Beverly James; best drum major, Elyria post 12, William Hruby; best drill team, Robinson-Gibbs, 26, Wauseon; best color guard, Elyria post 12; best junior band, Xenia junior band; best junior drum corps, Akron post 209.

Winners of convention contests were:

Bands (playing competition) — 1. Portage post 496, Kent; 2. Charles H. Carey post 56, Salem. Junior sponsored corps—Navy Belles, sponsored by Post 374, East Liverpool.

The 40 and 8, Legion fun society, elected these officers: John G. Caskey, Alliance, grand chef de gare; Lee Pickering, Minerva, grand avocat.

### Alliance Man Dies Under Train Wheels

ORRVILLE, Aug. 7—F. J. Conlon, 69, of Alliance, a Pennsylvania railroad brakeman, was killed today when an express train backed over him at the station here.

His death, from a crushed skull, was ruled accidental. Conlon had been working on the last car, but no one saw him fall under the train.

### Army Casualties Now Total 2,616

153 Killed In Korea; Missing Number 873

WASHINGTON, Aug. 7—(AP)—The Army announced today that confirmed casualties of the Korean war through August 6 totaled 2,616.

Spokesmen said 153 were killed, 1,590 wounded in action and 873 missing.

"The Army feels very strongly about casualty reports," the spokesman said, "because it is so close to the hearts of the American people."

It was added that the Army always waits to inform families until "we are positive." A briefing officer added that the total for missing in action changes from day to day.

The total today for instance, is 65 less than the number of missing reported from the far east yesterday.

The Army said it was not "trying to hide anything. We are trying to handle casualty notifications in a dignified and considerate way."

An officer said that the time lag in reporting casualties will decrease now that the front in Korea is "more or less stabilized."

The subject of the casualty count came up at the briefing because of a report by Columnist Drew Pearson that the casualty total up to August 1 was 660 killed, 2,975 wounded and 3,000 "actually missing in action."

Pearson wrote that he had seen "the secret casualty list kept by the Army surgeon general's office."

The Army spokesman said in answer to questions, that the totals given by Pearson "do not agree with casualty lists I have seen."

Replying to a specific question about a "secret list," the spokesman added that it is the Army's adjutant general that handles casualty reports.

### 65 More Will Take Service Physicals

The last call this month for 65 men to take physical examinations will be forwarded to Canton Aug. 22 and 29, J. Homer Browne, chairman of the Columbiana county draft board, announced today.

He stated that the board will forward 30 on the 22nd and 35 on the 29th of this month. This is in addition to the 30 men sent on Aug. 16. In all, 143 persons from Columbiana county will take examinations this month.

No report has been received from Canton on the results of the first contingent examinations, and there have been no notices for inductions by the local board at this time.

### Bombers Help Ground Troops

TOKYO, Aug. 7—(AP)—U. S. Marines and army infantrymen cracked out on a 20-mile-wide front today and rolled stubborn Red troops back nearly two miles in southeastern Korea.

It was the first American offensive after five bitter weeks of defensive retreat.

About 9,000 Americans and some South Korean commando units were thrown into the attack.

They clashed head-on with the crack North Korean Sixth division. It is backed by the Red First division. The two total around 15,000 men.

As the big push started, W. Averell Harriman, special foreign affairs adviser and assistant to President Truman, visited a front line command post in Korea.

On his return to Tokyo, Harriman said he had found American military leaders and South Korean officials "very cheerful and optimistic."

The offensive had been under way only a short time when B-29s, some of them less than six days out of the United States, plastered Pyongyang, North Korean capital, and the industrial city of Wonsan with 540 tons of bombs. This was the biggest single blow dealt this far by the B29s.

In the latest official field report Monday on the new Allied offensive a U. S. Eighth army communique released at 8:35 p. m. said:

"The attack launched this morning by the 25th division and the Marine brigade advanced about 3,000 yards today on a broad front. Strong resistance was met with U. S. forces inflicting heavy casualties on the enemy."

Enemy Casualties High  
Field reports to Eighth army headquarters in Korea said the Reds suffered probably their heaviest casualties of the war.

The report said the U. S. attack forced Red infantrymen to expose themselves to Fifth air force fighters and bombers.

One staff officer said: "The air boys had more and better targets today than they have had in a long time."

Communist artillery fire, in turn, stopped an advance of support American tanks at a road bottleneck and hit American artillery positions. But the Americans pushed ahead without armor.

North of the main battle area U. S. 24th division troops fought doggedly but without success to clear out about 150 survivors of an 800-man Red force that crossed the Nakdong river Sunday southwest of Changnyong, 20 miles north of Kogon, jumping off place for the Allied offensive.

Yanks Reinforced  
A steady stream of American replacements, fully equipped, poured into Korea to aid the advancing ground troops. (This dispatch did not say where they came from).

The Reds, getting ready for a thrust of their own toward Pusan, 35 miles east of the kickoff place for the United Nations drive, hit the American right flank hard.

On the northern front the Communists began a new offensive south of Yechon, the Eighth army communique said. Allied South Koreans were engaged in severe fighting there.

The big American push plowed into two North Korean divisions in the rugged coastal country of the southern sector. The attack was made from the village of Kogon, 35 air miles west of Pusan, the main U. S. seaport on the southeastern tip of the peninsula.

The blow was punched out by the Army's 35th and Fifth regimental combat teams, the Fifth Marine reinforced regiment of the First Marine division and some South Korean commando units. The United Nations offensive force had more than 6,000 men in it.

Triple Blow Attack  
The Americans hit the Reds a triple blow to start the offensive. First a curtain of steel was laid down by artillery for 20 minutes.

Next fighter planes strafed and rocketed the North Korean Communist lines.

Then the infantrymen leaped out of their foxholes and took out at the enemy.

Carrier-based planes supported land planes in the air attack on the Reds, who were caught just before trying to jump off on a counter-attack of their own.

The offensive began at 6:30 a. (Turn To KOREA, Page 12)

### Harriman Visits Korean Front

Reports Optimism In Allied Headquarters

TOKYO, Aug. 7—(AP) President Truman's special assistant on foreign affairs, W. Averell Harriman, flew to the Korean war front today as American troops kicked off on their first offensive.

On his return to Japan Harriman said he found American military leaders and South Korean officials "very cheerful and optimistic."

Harriman visited a battalion command post close to the front lines while American artillery roared an intense barrage.

"Nobody shot at me," he said. Harriman also visited U. S. Eighth Army field headquarters and conferred with the commander, Lt. Gen. Walton H. Walker.

The Harriman party returned to Tokyo's Haneda airport at 8:35 p. m. (6:35 a. m., DST), in General MacArthur's plane, the Da-tan.

The plane took Harriman to Korea early today. News of the flight to the war front was withheld for security reasons until after the presidential envoy had returned to Tokyo.

Harriman went to the Embassy. He said he would leave Tokyo tomorrow but did not disclose his next destination.

(In Formosa, informed quarters discounted reports that Harriman would visit Taipei, seat of the Chinese Nationalist government).

In addition to Walker, Harriman said he talked in Korea with President Syngman Rhee and John Muccio, U. S. ambassador to Korea.

He said Rhee had expressed confidence that "his country will be liberated."

The presidential envoy said Walker had been "very complimentary" about the morale and fighting qualities of the South Korean troops.

The party reported no sign of Red Korean aircraft during the flight.

The Korean trip occupied the second day of Harriman's visit here for a broad review of American policy in the far east. He conferred at length Sunday with MacArthur after attending a military briefing on the war.

Details of his conversations have not been disclosed.

Harriman said he would report the results of his trip to President Truman. He added: "That is what I came out here for."

### Weekend Mishaps Kill 24 In Ohio

At least 24 persons died in Ohio over the weekend as the result of accidents, an Associated Press survey showed today.

The number of accidental deaths was the highest recorded for any weekend of the summer. It compared with the seasonal low of seven only last weekend.

Once again, traffic accidents claimed the most lives—17. Two persons drowned and at least five died in miscellaneous mishaps. At least two Ohioans lost their lives in out-of-state accidents.

### Development

## 3 New Homes To Be Erected

### Clinic Parking Lots Will Be Completed

FIVE BUILDING permits issued  
at Mayor Vincent's office last  
week indicate construction and  
alteration work valued at \$28,325  
is either now under way or soon  
to be started.

Three new homes will be erect-  
ed. Robert Lozier will build a  
1½-story brick veneer home at  
1313 Jennings ave. It will have  
five rooms down. A large dormer  
on the second floor provides  
additional space for three rooms  
and bath on the second floor. A  
gas heating unit will be in-  
stalled in the full basement un-  
der the \$12,000 house.

The Loziers chose a house plan  
in which the living and dining  
rooms and the kitchen all face  
the front of the house. Lozier ex-  
pects workmen to start soon on  
the excavation and building.

Samuel Dumbleton, Mullins  
Manufacturing Corp. finisher,  
took out a permit to build a  
frame ranch-type home at 921  
Jones dr. Cost of this dwelling  
has been estimated at \$6,000. The  
Dumbletons are former Saline-  
ville residents.

The new single-story home of  
Leroy Smith will be built at 194  
Park ave. Frame construction  
will be used for the house which  
will cost approximately \$9,600.

GENERAL ALTERATIONS at  
the home of H. C. Fischer of 956  
South ave will include the remodel-  
ing of the bathroom. Cost of  
this work has been estimated at  
\$125.

A new garage will be built by  
Frank Kastanek at his dwelling at  
317 N. Madison ave. It will  
be a concrete block structure and  
will provide facilities for two  
cars.

THE GRADING and leveling of  
parking facilities at Central Clin-  
ic—one of the final steps in the  
building addition program—will  
be completed this week.

At the south side of the addi-  
tion, excavators have cut a space  
for seven cars. It will be used  
by hospital personnel. On the  
north side of the new building  
the ambulance entrance is near-  
ing completion.

The doctors' parking lot is sit-  
uated in this area. A surface of  
coarse slag and gravel will be  
topped with fine slag at this time.  
A hard surface will top the lots  
next year, Albert Hanna, super-  
intendent, said.

Another lot, across N. Broad-  
way behind the apartment at the  
corner of Broadway and E. Sec-  
ond st, will be used by patients  
and visitors when finished, Han-  
na added. The Kintz Construc-  
tion Co., which built the addition  
and apartment house, also is do-  
ing the parking lot work.

## 3 Texas Brothers To Fight Side By Side

FORT WORTH, Aug. 7—(AP)—  
The three Oxford brothers plan  
to fight the war side by side.

They are Pvt. H. C. Oxford,  
Pfc. John L. Oxford, and Tech  
Sgt. Thomas R. Oxford, all mar-  
ine air reservists, called to active  
duty yesterday.

At the time of their enlistment  
in the reserves, the trio requested  
and got permission from the Navy  
to serve together.

Yesterday, the mother of the  
three Fort Worth marines, Mrs.  
H. V. Oxford, said she wanted her  
boys together, "no matter what."

## Designed Especially For Farm

PLAN FJ-2

A FARM HOUSE that can grow  
from a small cottage, this  
plan was selected as a prize win-  
ner because it best met housing  
specifications submitted by more  
than 7,000 farm families.

The completed house is 87 feet,  
8 inches wide, exclusive of  
porches. The kitchen wing is 28  
feet, 10 inches deep and the bed-

room wing is 31 feet, 4 inches  
deep. The house can be started as  
a two-bedroom cottage as shown  
in the small plan.

In enlarging it, the kitchen  
and workroom remain the same,  
the bath becomes a washroom,  
the smallest bedroom is changed  
into a farm office, the larger bed-  
room is made a dining room by

removing the partition between it  
and the living room, and three  
bedrooms with a divided bath and  
lavatory are added in the new  
wing.

A basement under the original  
part of the house includes a large  
recreation room with fireplace,  
an indoor drying area and large  
food storage rooms.

Stewart, et al; settled and dis-  
missed at plaintiff's costs.

Hazel M. Capel vs. George  
Rance, et al; leave to defendant  
to plead on or before Sept. 9.

Lola M. Eyster vs. George  
Rance, et al; same.

William M. Ware vs. Clifford  
O. Ware; case especially assigned  
for Aug. 14 at 9 a. m.

Faynelle Wolfe vs. Robert  
Wolfe; court advised parties have  
become reconciled, case is dis-

missed at plaintiff's costs. No  
record.

Charles McCoy vs. Loan & Fi-  
nance Corp.; case settled at de-  
fendant's costs. No record.

Robert R. Hutton vs. Barbara  
Hutton; dismissed by plaintiff at  
his costs. No record.

Basil Mangano vs. Celestia A.  
Thomas; on application of plain-  
tiff, agreed to by defendant, F.  
M. Cole is appointed receiver of  
property described in petition.  
Bond of receiver set at \$500.

Frank Farnsworth vs. Leona  
Farnsworth; plaintiff granted di-  
vorce and custody of minor child-  
ren, extreme cruelty and gross  
neglect. Plaintiff awarded as al-  
imony the wife's interest in bank  
deposits, and wife's interest in  
real estate described in journal  
entry.

Vincent C. Judge, county treas-  
urer vs. Katherine Terry; sale  
confirmed, deed and distribution,  
writ of possession ordered and  
remission of taxes.

### New Cases

Central Federal Savings &  
Loan Association of Wellsville  
vs. George Mort, administrator,  
et al; action in foreclosure.

Same vs. Thomas J. Davidson,  
Wellsville; action in foreclosure.

Economy Savings & Loan Co.,  
of Salem vs. Calvin Albright, et  
al, East Rochester; action on cog-  
novit note.

Antionette Steele, Lisbon vs.  
C. Blanch Cooper, administratrix  
of the estate of Ida Gaskill, de-  
ceased; Signal; action for money,  
\$1,500.

Charles Abblett, et al doing  
business as Abblett Construction  
Company, Leetonia vs. Ralph B.  
and Helen M. Vance; Salem; ac-  
tion for money, \$1,117.11.

Thurman Seavers vs. Irving  
Zweig, Wellsville; action for  
money, \$5,000.

Henry Kale, administrator of  
the estate of Edward Kale, de-  
ceased, Berlin Center, R. D. 1, vs.  
Junior Felger, East Palestine, R.  
D. 1; action for money, \$10,000  
and costs.

### 3 Killed, 3 Injured In Small Plane Crash

SOMERSET, Ky., Aug. 7—(UP)—Three persons were killed and three others injured last night when their plane crashed and burned shortly after taking off from Taylor airport here.

The victims were Victor Taylor, 46, airport owner, and Mr. and Mrs. Tom Shaw, Crab Orchard. Taylor was piloting the plane.

A farmer living near the airport said he saw the five-passenger Beechcraft go into a dive from a low altitude, plunge to the ground and catch fire. Other witnesses said the plane apparently failed to gain altitude after taking off.

## Proper Venting Vital In Plumbing

### Septic-Tank Installations Require Dry Site for Drainage

(Fifth in a series)

If you want to be sure of satisfaction with your future home be sure that the plumbing is installed right. Nothing can be more irritating or costly than a faulty plumbing installation.

After work has been completed on the roof of the house and siding is being put on, the plumbing should be installed. Home planners advise keeping bathroom and kitchen as close as possible to save material costs. The cheapest arrangement is to have the kitchen and bath back-to-back.

This setup allows venting of all fixtures into one roof vent and does the job with the very minimum of materials.

The important thing about the plumbing job is to have it properly vented and leakproof. Each fixture should be vented.

A GREAT DEAL of trouble has been encountered in recent years in rural and suburban sections where septic-tank systems are used.

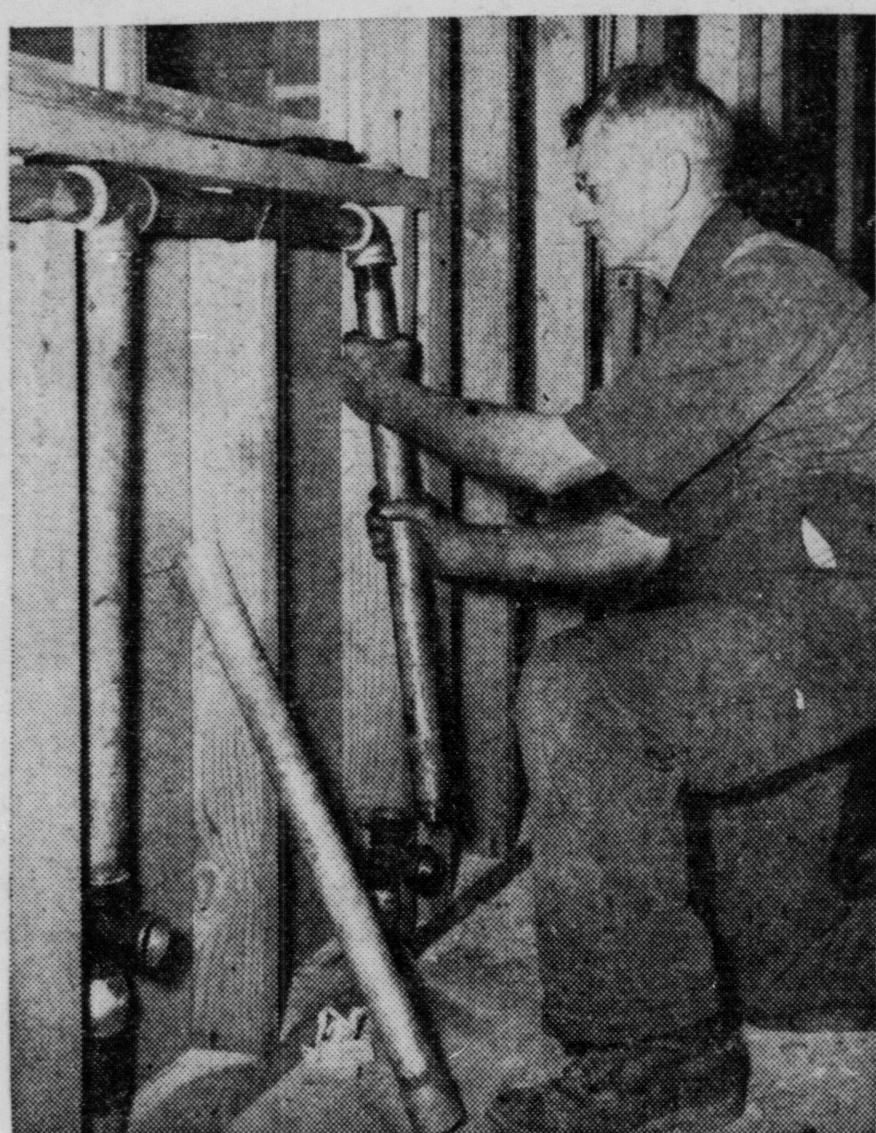

Expansion to the country area has caused many families unknowingly to buy damp building sites. Areas subject to high ground water are not desirable for septic-tank sewage disposal. The drainage from the tank that normally flows into the ground cannot be absorbed in areas with water conditions and the tank will overflow, authorities say.

Where a septic tank is used, the sewer line should lead into the tank. Then outlets into a disposal area should be provided to carry away liquid waste. Tanks can be either concrete or metal, coated with asphalt coating.

When the plumbing has been installed and inspected for leaks, work can begin on the wiring system and the basement floor be laid.

IN BASEMENTLESS houses with slab floor construction, the concrete slab floor can be laid after the plumbing has been installed unless the new perimeter heating system is being used. With this type heating, the warm-air ducts must be laid and then the concrete poured.

The University of Illinois small homes council offers several precautions for safe electrical wiring:

C. H. BAAB, Canton plumber, is shown installing vents for fixtures in the kitchen of a home being built by Casselman & Hammersmith. Proper venting is important to efficient and healthful plumbing installations.

### 33 Mishaps Occur In Salem In July

A total of 33 mishaps occurred on Salem streets during July, with two of the accidents resulting in two injuries. This is below the previous month during which there were 42 accidents with six resulting in nine injuries.

Of July's 33 accidents, 26 were two-vehicle mishaps, one bicycle-auto, four auto-fixed objects and two miscellaneous.

Arrests for July totaled 34, surpassing those in June by four. The arrests last month were for: Reckless operation, 11; intoxication, 12; disorderly conduct, 4; drunken driving, 2; petty larceny, 2; and assault and battery, suspicion and driving with no operator's license, one each.

WHEN installing wiring, no material should be used unless it bears the label of the Underwriters' Laboratories. And the installation should be according to the national electrical code.

After plumbing and wiring have been completed the heating plant can be installed. Most authorities advise the use of gravity warm-air heating in small homes. This system works upon the principle that warm air rises, and therefore the furnace should be located below the level of the rooms to be heated.

With forced warm-air heating, the warm air is forced through ducts to the rooms. This system has some advantages over the gravity type.

A SMALLER heating unit is used and warm air and return ducts can be smaller and installed flat against the ceiling or within the joist space out of sight. In addition, this system allows for latitude in arrangements of heating registers.

Three types of radiant heating are currently being used in basementless homes. One system uses a network of tile ducts for the floor, through which warm air is circulated. Another has hot water pipes running through a concrete floor, and the third and newest system uses warm-air ducts in the floor with heating outlets at the perimeter of the rooms.

### 5 Ohioans Wounded, 6 Missing In Korea

WASHINGTON, Aug. 7—(AP)—The Department of Defense's Korean casualty list No. 55 issued today carries the name of two men killed in action and two others who died of wounds.

Another 71 were listed as wounded, four as injured (not in combat) and 47 missing in action.

The list—army personnel unless otherwise indicated—includes these from Ohio:

Wounded—Pfc. Kenneth C. Bruce, son of Mrs. Kathryn Janet Burk, Youngstown; Sgt. Elmer E. Burkholder, Jr., husband of Mrs. Elsie L. Burkholder, now residing in Far East command, and son of Mrs. Edith S. Burkholder, Bluffton; Pfc. David K. Byrd, son of Mrs. Allie Byrd, Dayton; Pfc. William Vernon Mathews, son of George Milton Mathews, Waverly; Pfc. Lawrence H. Smithausler, son of Howard H. Smithausler, Akron. Missing in action—Col. George M. Bingham, friend of Mrs. Lena Crumrine, Lima; Pfc. Michael Fedikovich, Jr., son of Michael Fedikovich, Cleveland; Cpl. Charles F. Frazer, son of Mrs. Frances Frazer, Belpre; Pvt. Don Marks, son of Mrs. Alma Marks, Cleveland; Cpl. Paul Willard Nelson, son of Mr. and Mrs. Willard D. Nelson, Cincinnati; Pfc. Donald G. Spangler, son of Roy Spangler, McClure.

Wine Is a Mockery; Strong Drink is raging, don't be deceived.—God's word. Ad.

### Columbiana

## Kiwanis Holds Ladies' Night

### Work On Town's Rail Crossings To Begin

COLUMBIANA, Aug. 7—Ladies' night will be observed by the Kiwanis Club, meeting in Pavilion 2, Firestone Park, this evening, with a covered dish supper at 6:15. Walter Crawford will have charge of a program of entertainment, and there will be reports of the sale of tickets for Mills Bros. circus, which will exhibit here Tuesday, Sept. 5, under the sponsorship of the club for its underprivileged children fund.

MILTON HOOD, of Youngstown, who was a student in Ireland under the Paul Harris Foundation of Rotary International, will be the speaker at the meeting of the Rotary Club this evening. James Sittler is program chairman.

THE PENNSYLVANIA Railroad will bring a large force of track workers here Wednesday to begin work on raising the tracks and putting in new ties from the crossing west of town on the Columbiana-Leetonia road to Elm st in Columbiana. They will begin at the crossing west of town and work east. Work will be started soon on rebuilding the Main st crossing. Repairs will also be made to the Elm st crossing.

MRS. RUTH PENDRY of Lisbon, Columbiana county home demonstration agent, will be at the home of Mrs. Edgar Rapp, East Friend st., at 6:30 p. m. today, to judge projects just completed by the Gay Sisters' 4-H Club. She will be assisted by advisors, Mrs. Rapp and Mrs. John Sittler. Mrs. Rapp attended in Columbus last week the state convention of 4-H advisors as one of five delegates from Columbiana county. There were 274 in attendance. Reports will be made by the delegates this fall, probably at a banquet in Lisbon. The Gay Sisters will give their mothers' tea in the home economics room of the high school building at 1 p. m. tomorrow.

school building at 1 p. m. tomorrow.

### Columbiana Briefs:

Columbiana Methodists will have a church family picnic in Pavilion 1, Firestone Park at 6:30 p. m., Thursday. It will be a reception for Rev. W. S. Longworth and family. Rev. Longworth having been recently re-assigned for the third year of his pastorate here. New members received into the church during the past year will be special guests. Rolls and coffee will be provided.

The Columbiana branch of the W. C. T. U. will hold its August meeting in the Methodist church, at 2 p. m. Wednesday.

Columbiana will play at Salem Wednesday evening, the last game scheduled for the season in the Junior Legion League of Columbiana county.

Panora Lodge of Odd Fellows will have a special business meeting Tuesday evening.

Mrs. Nellie Isaly and daughter, Margaret, of 130 North Elm st., are home after a two-month tour of Europe during which they witnessed the passion play at Oberammergau, Bavaria, Germany.

Rev. Walter C. Eyster and family of Bowling Green, formerly of the Methodist church here, were guests in the home of Mr. and Mrs. Ralph Reddington, South Pearl st., the last of the week. They were dinner guests of Mr. and Mrs. Norman Detwiler, North Elm st., Thursday evening.

### Pilot Drops Fuel Tanks On His Home Town

PENNSBURG, Pa., Aug. 7—Police said two fuel tanks plunged from an air force jet plane while the pilot was flying over Pennsburg—his home town.

One of the tanks fell on the farm of Eugene Graber yesterday and the other exploded as it struck 100 yards from the home of Ralph Mack.

Mr. and Mrs. Frank Mack later received a telephone call from their son, Capt. Ernest Mack, in Washington.

Police said the air force pilot inquired if anyone had been hurt by the fuel tanks and then explained that one of them had broken loose as he flew over the town and that he had been forced to jettison the other to maintain the plane's proper balance.

## Money Can Be Appropriated

THE MOST staggering realization in store for the United States is the futility of American materialism as a means of offsetting materialism of the Communist conspiracy.

The United States discovered before the war in Korea was two weeks old that \$50,000,000 spent on its fighting services since the end of World War II hadn't bought what it thought it was buying.

It is being advised from all sides that its greatest failure in closing the issue between its principles and the cynical expedients of the Kremlin is in the field of public relations. It has been letting Communist lie get the jump on American truth, an ironic failure by the world's most publicly-conscious society. In that respect, money would have been useless; there was a lack of planning.

Common sense, spurred by reminders of militarists, is warning the country that the reflex action of two preceding wars in this century will not be worth much in the event of a third war. It will not be enough this time to overwhelm the enemy eventually with a rising tide of American war production and manpower. This time, "eventually" is likely to be day after tomorrow.

In other words, the United States is beginning to realize that ever-larger appropriations of money aren't the answer to this problem of national emergency. It isn't going to be enough to bribe the Francos and butter-up the doubting Thomases with shiploads of desirable supplies. Lend-lease will not be regarded as an inspired way to bolster up allies as much as it will be appraised as a handy way for wavering allies to get what they need.

War contracts won't mean anything unless they call for the right implements. That will entail close, careful planning, reflecting sound strategic decisions. From now on, vast spending is just as likely to be a betrayal of national security as an assurance of progress.

Money can be appropriated by the mere casting of a vote. The United States also is going to need wholesale appropriations of intelligence, purpose, principle and high resolve. That isn't so easy. In a battle with Marxist materialists, it will have to rely on something infinitely harder to appropriate than public funds.

## Harvest Scene: Revised

IT WILL BE many years before the new look in harvest scenes becomes the universal look. But it already has become commonplace.

In wheat and oat fields, the new look is a swath of straw, representing what is left after the combine has done its multiple duties of cutting, threshing and winnowing. Gone forever in many areas are the sentinel shocks of grain standing in the greening fields and with them the traditional gathering of the threshers.

Disappearing, too, are strawstacks and loose hay, though the latter is bidding for a new lease on the basis of techniques for getting it into the stack and mow which may match the hay baler in efficiency. Another favorite detail of the American scene which will be missing in a few more years is the cornshock standing in the moonlight majesty of its own shadow. The mechanical corn-picker adds nothing to the rural scene except its own vivid coloring and high-gear magic, but it adds days and weeks to the countryman's time for performing faster work than picking, husking and fodder-bundling.

Only one thing is immune to change—the harvest moon. It shines on, as it is admonished to do by all who raise their voices in its praise. In truth, all the other things are mere details. They are techniques subject to change without notice, whereas the harvest moon is an institution.

## Forever Is A Long Time

PRESIDENT TRUMAN'S hasty statement that Secretaries Johnson and Acheson will remain in his cabinet as long as he holds office will be repeated ad nauseam.

It could happen. But it probably won't. And the only things that keeps Mr. Truman from having his foot in his mouth for saying such a thing is the fact no one is likely to take him seriously. He was using the politicians' method of answering criticism, which is to pretend there is no basis for criticism. This frequently is followed up in short order by actions acknowledging that things must have been even worse than they were supposed to have been.

During the 1949 major league season, the story got into circulation that the Boston Red Sox was not one big happy family. This inspired official statements that all the Red Soxers were happy as larks. The club finally became so happy early in the current season that its manager couldn't stand it any more and went home, presumably to quit laughing.

Secretaries Johnson and Acheson will be well advised to face the future with a jaundiced eye from now on. They have been built up for a letdown.

## Loan To Spain

By PETER EDSON

## How Deal Was Put Across In House

WASHINGTON  
THERE is considerable monkey business behind Nevada Sen. Pat McCarran's surprise victory on the \$100,000,000 Spanish loan authorization. As amended by Wyoming Sen. Joseph C. O'Mahoney, the McCarran proposal would direct Marshall Plan Administrator Paul Hoffman to issue \$100,000,000 in notes. Secretary of the Treasury John Snyder would be directed to buy these notes. The money would then be loaned to Spain under terms of the Marshall Plan act. Export-Import Bank would be the collecting agency.

Effect of the McCarran-O'Mahoney amendment would be to give Generalissimo Francisco Franco \$100,000,000 worth of Marshall Plan loan benefits, without Spain's being admitted to Marshall Plan membership. Interest rates and repayment terms would be more liberal under a Marshall Plan loan than under a straight Export-Import Bank loan. Also, Spain would not be required to live up to the obligations of other Marshall Plan countries.

In other words, this is a back-door approach. Similar Spanish aid proposals have been made by Senator McCarran in the past, but they have always been defeated. The last time was April of this year, when the vote was 35 senators for the Spanish loan, to 46 against.

THIS SWITCH to a 65 to 15 vote victory for Senator McCarran is largely a result of the Korean crisis. It is also the result of considerable pressure from the Department of Defense which for some month has been eager to have Spain cut in on North Atlantic Pact defense plans.

Congress—and the Senate in particular—now wants to do everything it can to build up military strength against Communist threats all over the world. And the sky seems to be the limit on what Congress is willing to appropriate for this end.

During the Senate debate on the McCarran-O'Mahoney amendments, however, there were a couple of distortions of fact. One was a statement that the State Department was opposed to a Spanish loan. The other was a statement that the Export-Import Bank had been slow in granting credit to Spain. It was for these reasons that the Senate wanted to force the issue by requiring

that loans be made through the Marshall Plan.

As a matter of record, on April 27, Senate Foreign Relations Committee Chairman Tom Connally released a letter from Secretary of State Dean Acheson which said, "...the normal channel for credit from the United States government, namely the Export-Import Bank, is open to Spain on the same basis as any other country.... The department believes that this normal channel, of which the Spaniards have not yet availed themselves, should be utilized for projects in Spain requiring financial assistance from the United States government."

AT THAT TIME, the Spaniards had not applied to the U.S. government for any loans, but soon after that they did. Formal application was made for a \$700,000 loan to modernize and enlarge a fertilizer plant. That application is now before Export-Import Bank, and may be granted some time soon, whether or not the McCarran-O'Mahoney amendment is finally approved.

In May, Andres Moreno, director of Banco-Hispano-Americano, came to Washington and talked somewhat grandly about Spain's need for credits of \$1,250,000,000. As this was \$400,000,000 more than the bank's total assets, the idea was rejected.

Spain then came back and began discussions on the possibility of obtaining Export-Import Bank loans for a total of nearly \$70,000,000. For more fertilizer plants, \$13,000,000; for mining machinery, \$9,000,000; for commercial planes, \$6,000,000; for electric power plants, \$5,000,000; for railroad equipment, \$15,000,000, and for tractors, \$20,000,000.

The Spaniards were told to go back and prepare certain financial data on their country's economy. These data have now been submitted and are under study by Export-Import Bank officials. But formal applications for these loans have not yet been made by the Spanish government.

To these projects, however, Senator McCarran added \$12,000,000 for construction and improvement of airports and \$20,000,000 for cotton. The first would have a vote appeal for military-minded senators and the second for southern cotton belt senators. The total rounds out to the \$100,000,000 figure.

(NEA Service)

## No Weed Control

By TRUMAN TWILL

ONCE more before the end of another summer we want to say a little more about this universal problem of weeds which keeps baffling human beings—and particularly this one.

We do not believe the weeds can be wrong, any more than 70,000,000 Frenchmen can be wrong. And that is the problem. What can human beings do about weeds without making fools of themselves?

They cannot squirt enough weed-killer on the earth to kill the weeds without killing everything else, including themselves. Nor can they find the time and energy to fight all the weeds to a standstill.

Therefore, they should find some way to live and let live—to reach what diplomats call a modus vivendi. Right after the diplomats figure out how to do this with Russia, there should be time to do it in the case of weeds.

The trouble in both cases is that the weeds and the Communists are what philosophers call exclusionists. That is, they cannot live side by side with anything else. They get rid of their competition by smothering it. But all they produce is more weeds and more Communists.

These are of no use to anyone and now we are getting to the nub of the problem. Speaking only of weeds now, not Communies, we wonder why they cannot be turned to some good account.

For example, there is enough Queen Anne's lace on the landscape at the present time to provide lace for all the nightgowns, slips and so on which will be needed for the next 10 years. The stalks could be shredded and served with homogenized milk from contented milkweeds, or cooked in butter from last spring's bumper crop of buttercups.

Actually, some of the people in the old world smack their lips over purslane, better known in this country as pig weed. It is one of our best weeds—the only kind that will grow just as well with its roots out of the ground as it does with its roots in the ground. And what Battle Creek could do with ragweed in packages, with premium dishes and a radio program for its kiddies is enough to make a dietitian go on a cabbage diet.

Except for dandelions and burdock, most of the weeds which have wormed their way into control at the Twillery are unknown. But they have one thing in common. None of them is less than four feet tall, and cutting them down only makes them mad. Wherever one is cut down, two

jump up in its place. They fight back, in starting contrast with such delinquent, timid and diffident members of the vegetable kingdom as sweet corn, broccoli, asparagus, roses and lima beans, which give up the ghost without so much as a murmur of protest.

They have been weakened by too much attention and made to feel important. This has caused them to be sensitive to rebuffs and insults. They have seen their pictures in so many nursery catalogs that they think they are indispensable; they cannot imagine anything happening to them, though it is happening all the time.

As was said at the beginning, 70,000,000 Frenchmen and many times that many weeds cannot be wrong.

## Bible Quotation

There is no man that hath power over the spirit to retain they spirit; neither hath he power in the day of death: and there is no discharge in that war; neither shall wickedness deliver those that are given to it.—Eccl. 8:8.

## SIDE GLANCES

"Nearly all the boys have gone, but my parents stay on and on at this dumb vacation resort—won't they ever learn anything about life?"

## No Compromise With Heroism

## Russia's U. N. Information Center

By DAVID LAWRENCE

LAKE SUCCESS  
RUSSIA has charged that United Nations' attempts to halt the North Korean aggression lowered U. N. prestige in the Soviet Union—but it is hard to find out just how popular the U. N. has been there.

U. N. headquarters itself doesn't have a clear idea. It has some reports from the U. N. information center in Moscow. The reports show that a certain amount of U. N. documents have been distributed there and that the center has had visitors—800 last year. But the U. N. doesn't know how the documents got distributed.

These fragmentary reports reveal only that the U. N. message has never been carried to Russia's millions on the same large scale as it is done in the United States, by schools, colleges, civic clubs, newspapers, radio, and

voluntary organizations that work for support of United Nations efforts.

A recent U. N. document, entitled "Teaching about the United Nations and the Specialized Agencies," carries 75 pages of reports how the U. N. is brought home to the people in the western countries. It is a report to the economic and social council meeting in Geneva, signed by Trygve Lie, U. N. secretary-general, and Jaime Torres Bodet, director-general of Unesco.

One paragraph says "Information on the publication of materials on the United Nations has been received from White Russia, Czechoslovakia, Poland and the Soviet Union. No details have been given as to the administrative machinery through which these are being distributed, but it is assumed that responsibility lies with the Ministry of Education in each country."

Also the report does not list any activity during 1949 in any iron curtain country, except Czechoslovakia. There it makes a fleeting reference to U. N. reports forming a part of history and civic lessons in the schools.

SOME UP-TO-DATE unofficial figures, however, indicate that about 33,000 U. N. booklets and other literature and several dozen documentary films were given some distribution in Russia through the U. N. information center in Moscow.

There are 16 such U. N. information centers in the world. Most of these centers—not all—are headed by U. N. appointees who are not nationals of the country where they are stationed.

The head of the Moscow U. N. information center is a Russian, Michael S. Vavilov, who used to be head of the Russian Embassy information section in Washington. He was sent to Moscow as acting director when the center opened.

One former Moscow correspondent (Joseph Newman, of the New York Herald Tribune) now stationed in Berlin reported last June that few Russians know the office exists. Lie denied that after he came back from Moscow on his save-the-U. N. tour of Europe. He said Muscovites saw the blue and white U. N. flag flying over the center at 15 Huklovski Pereulok, Moscow, and that U. N. officials used the offices on their visits.

Lie did not say then, however, how much the Russian people themselves used the center. New information from Moscow asserts that ordinary citizens were among the 800 visitors to the center during 1949 and said that they saw U. N. material there without any prior censorship.

The 800 visitors in Moscow compare with 1,400 reported during 1949 to the center in Prague, another iron curtain area; and with 1,700 at the Paris center and 1,000 at the Copenhagen center.

## One Man's Opinion

By WALTER KIERNAN

KIND OF odd of Joe Louis is being fought to pay his taxes... so many others fighting not to pay theirs.

But this looks like the beginning of another eternal triangle... Louis, Erhard Charles and Secretary Snyder.

I don't know who'll handle the count at the ringside but Snyder is set to handle it at the gate.

Joe is a product of the high tax age... he's been such a financial success he can't afford to quit.

Things have gotten so tough that Godfrey and Crosby are both peddling orange juice to work their way through the Treasury department.

Every time Crosby collects royalties on a new record he has to squeeze another orange to make up the difference between the royalty and the tax on it.

This isn't the way America was built but the original plans have been altered by eccentric architects.

## This Is War

By DON WHITEHEAD

(For Hal Boyle)

## Countryside Looks Peaceful

IN KOREA

A TALL American navy commander said, "Sure, I'll get you to the front." A few minutes later we were clambering aboard a cargo ship. The vessel was one leased by the South Korean government from the United States.

And now the U.S. was leaving it from the South Koreans to carry supplies along the southern shore of Korea to a point near the front. The skipper was Capt. Scott Don Gam, a pleasant little brown-skinned man who has been plying these waters since boyhood.

The ship eased out of the pier and headed for the open sea. We didn't know it then, but five hours later we would be at a U.S. command post where pools of blood spread over the floor and soldiers counted enemy dead killed in a surprise attack.

Aboard ship, the air was fresh and clean. The water looked cool and there was none of the filth of the land with its flies and mosquitoes and fleas. Two grinning sailors brought out a violin and a banjo. They played a repetitious nostalgic theme. A sailor explained in broken English that it was a folk song about a "fellow who went to war and left his beloved to mourn for him."

FROM THE SEA, the land looked beautiful. The mountains rose abruptly from the water and climbed steeply into the skies. It looked calm and peaceful indeed and not like a land where a war was raging only a few miles inland.

In a short time—all too short—the ship tied up at a pier, and then we were in a jeep headed for the front. The calmness of the sea was gone. The land was hot and dusty. The jeep climbed through a mountain pass and wound down a narrow road into a broad green valley. Refugees were plodding along as refugees had plodded along in war-torn Africa, Italy and Germany.

They carried their belongings on their backs, old men bent with the burden of heavy packs. Women trudged along with children slung on their backs—though dust away from the war with what little they could salvage.

A MAN CAME peddling his bicycle down the road. Two small children clung behind him. The bicycle lurching and the children were flung onto the ground a few inches from a passing truck. The man frantically pulled them to safety.

The jeep climbed up the road through another pass but there were no refugees here. The road was deserted and in the valley a village burned—first by shell and mortar fire. At the command post, the men sat in huddles talking about the enemy attack that had swept them after dawn.

A colonel said, "The boys are out counting enemy bodies now." In the next room there were pools of blood on the floor of what was a school. There was a child's drawing of a field of red and yellow flowers. The red flowers were the same shade as the blood spilled on the floor.

## Looking Backward

From The News Files

FORTY YEARS AGO—Mrs. O. C. Hisinger is visiting in Mansfield.

Miss Helen Sharpnack and Maud Seale have returned from a visit in Putnamburg.

John C. Whinnery is working at the Pennsylvania freight office while J. S. Sullivan is recovering from an attack of neuritis.

Columbiana County Pomona Grange will meet at Willow Grove Grange hall, west of Salem, Saturday to dedicate the new building.

Although there is no shortage of water, Superintendent Russell has asked residents not to be wasteful.

TWENTY-FIVE YEARS AGO—Indications point to the use of fur linings for next winter's coats. Coats will be of fox, skunk and marten.

The merchants of the Chamber of Commerce have provided a free parking lot for the public with the entrance through the alley west of Corso's fruit stand on Main St. and the exit through the south alley onto Penn St.

Mr. and Mrs. George Goe of Pittsburgh are visiting Mrs. Goe's parents, Mr. and Mrs. D. D. Kirby, Ohio Ave.

TEN YEARS AGO—Summer Wallis, acting secretary of state, denounced as "deliberate assassination" the absorption of three Baltic republics—Estonia, Latvia and Lithuania—by Soviet Russia.

Great Britain's leadership increased the nation's income tax to an unprecedented rate of 42½ per cent to help meet an emergency war budget equalling \$13,000,000,000.

Mr. and Mrs. Richard Chamberlain of Philadelphia are visiting at the home of his parents, Mr. and Mrs. Howard Chamberlain, N. Union Ave.

FIVE YEARS AGO—President Truman's statement that the United States is not seeking "one piece of territory" prompted congressional demands that this country obtain complete control of strategic Pacific islands. Mrs. Helen Sexton of Lakon spent Friday with Mrs. Gertrude Steele and Mrs. Lila Hagen of N. Lincoln Ave.

Miss Eva Yarnall, who is employed at the Murphy store, is taking a two week vacation.

## The Modern Farm

Apples Damaged  
By Red MiteInsect Controlled;  
Fruit To Be Smaller

ALTHOUGH THE RED mite—an insect that wreaks havoc with an apple crop—is under control in this district, K. A. Betts of the Mahoning Orchards Co., just north of Salem on Route 62, said a lot of damage has been done.

The insect has affected apple trees to such an extent, Betts said, that the fruit will be small this year, in addition to yielding from only 35 to 45 percent of the normal crop.

The Melba, Transparent and McIntosh early apple varieties are already being picked, Betts said. But the crop is expected to be exceedingly light—about 15 percent of the normal yield.

In commenting on other fruits, Betts said that the peach outlook is good, but the fruit is ripening quick and "must be moved to market as soon as possible." Pear yields are expected to be "very light" because most of the orchards raising the fruit have been affected by a severe blight.

A RAIN-SOIL demonstration will be given Wednesday at the Conservation Field Day on the Shaw-Freeman-Jarman farms, 3½ miles west of Lisbon. The runoff from various plots will be collected and measured by H. D. Lessig of the Soil Conservation Service.

The plots include rows of corn up and down the slope and across the slope, trash-mulch and sod. The demonstration will be one of several to be given during the event, which is expected to attract hundreds of people.

## Shorts And Middlings

• To make a pound of butter, 9.77 quarts of milk are required.

• Most farm fires are caused by faulty construction and carelessness.

• Mature beef cattle usually consume about 12 gallons of water per head daily.

• To cook frozen poultry without thawing it, cook one and one-half as much time as usual.

• It pays to check equipment constantly to avoid loss of time and to assure safety.

• Now is a good time to have your soil tested to find out what fertilizers it will need next year.

**MARINES ARE COMING**—After disembarking at a South Korean port, Marines of the 1st Division, on their way to the front, march past curious South Korean natives. The leathernecks will fight as a unit—with new secret weapons and their own tanks and Marine planes.

• Farm boys will be more apt to stay on the farm if they are allowed to develop an interest in the farming business.

• The Christian Rural Overseas program (CROP) again will collect foodstuffs in 1950 for the hungry overseas.

• Water consumption of laying flocks can and must be increased during the summer to maintain egg production.

• Paved yards and feeding floors are a valuable addition to the livestock farm, especially where lots are flat and poorly drained.

• It's possible to tell what color of eggs a hen will lay. All you have to do is look at their ear lobes. Birds with white ear lobes lay white-shelled eggs; those with red ear lobes, brown-shelled eggs.

• Alfalfa seed offers one good solution to the question of what to grow when the government is asking for reduced corn acreage. The demand for seed is expected to continue to rise during the next 10 years.

• Pigs getting a balanced ration don't cough as much as pigs that are run down due to poor rations in their feed troughs. This is often the cause of coughing in pigs rather than because of dust.

## Our Servicemen

**CPL. KEITH KREPPS**, 20, landed in Korea last week with the Fifth Infantry Division.

A heavy weapons handler, Cpl. Krepps has been in the army for 20 months. He is the son of Mr. and Mrs. Oscar Krepps of 925 E. Fifth st.

Cpl. Bruce Krepps, 29, a brother, is stationed at Fort Ord, Calif. He is also an infantryman and has been in the service for two years.

**RICHARD DOUGHERTY**, 27, 639-S.R.-01, U.S. Navy Reserves, left Sunday for the U.S. Naval Training Base at Great Lakes, Ill., where he will be in training for two weeks.

He is the son of Mr. and Mrs. Gale Dougherty of E. Fourth st.

**RCT. WILLIAM E. BREAU** and Pvt. Wilfred J. Breault, sons of Wilbur Breault of 558 Bank st., have been sent to Fort Knox, Ky., where they will serve with the 65th Armored Field Artillery Battalion of the 3rd Armored Division.

**ANDY CARTWRIGHT**, Ed Mullen and Jerry Sanders, all of Lisbon, left this morning for Camp Pendleton, Calif., where they will serve with the 10th Engineers, Marine Corps Reserve unit.

Mullen was with the Marine Corps in World War II while Sanders and Cartwright served with the army. All three are married.

Columbus Ranks Fourth  
Among State Capitals

WASHINGTON, Aug. 7—(AP)—Columbus ranks fourth in population among the nation's capitals, the U. S. Census Bureau said yesterday.

In the basis of its 1950 census, the bureau placed Columbus behind only the capital cities of Boston, Indianapolis and Denver.

Here are the population figures for the first five capitals:

Boston, 788,552; Indianapolis, 424,682; Denver, 412,823; Columbus, 373,821, and Atlanta, 326,962.

The smallest capital is Carson City, Nev., with 3,069.

Demands For Steel  
Keep Mills Busy

CLEVELAND, Aug. 7—(UP)—Demand for steel is growing increasingly heavier because of the Korean war, Steel magazine reported today.

Military orders for steel are only a small percentage of the total volume so far, the magazine said, but they are rising.

Because of larger and larger military orders, mills have begun to revamp production schedules and this has caused some shipment delays to civilians, Steel said, a situation which is causing consumers to "scramble for protective tonnage."

"But steelmakers are booking new civilian business warily," Steel said.

The journal reported that the volume of steel needed to fight the Korean war and to fill the nation's new rearmament requirements is unknown.

"But trade authorities anticipate no severe shortage," Steel added.

Steel said production capacity tops that of ten years ago by about 20 percent.

## VIVIEN LEIGH RETURNS

HOLLYWOOD, Aug. 7—(AP)—Vivien Leigh is back in Hollywood for the first time in 10 years.

The British actress, wife of Sir Laurence Olivier, returned yesterday to play the lead in the film version of "A Streetcar Named Desire."

Salem Youth Held  
In Kidnap Probe

CANON CITY, Colo., Aug. 7—(AP)—Sheriff Gilbert A. Ackelbein said today three youths are in jail for questioning about a story told by a Vernon, Tex., trucker that they kidnapped him.

Charles W. Goodman, 30, the trucker, said he broke away from his captors as they stopped near a Canon City restaurant last night.

Ackelbein identified the trio as Francis A. Crider, 18, of Salem, O.; William Cara, 18, of Sacramento, Calif.; and David E. Weir, 20, of Lubbock, Tex. The sheriff said two revolvers were taken from them.

Crider and Weir admitted they are soldiers absent without leave from Sheppard Field at Wichita Falls, Tex. Ackelbein said. He reported Goodwin said he stopped his truck outside Vernon Thursday night to give three hitchhikers a ride.

One of them pointed a gun at Goodwin and said, "we're going to Reno and you're going with us."

The sheriff said the FBI is being notified.

## WILL SPEAK TO ROTARY

Counsel For Bridges  
Seeks His Release

SAN FRANCISCO, Aug. 7—(AP)—Harry Bridges' lawyers will seek his release from jail today on a writ of habeas corpus.

The president of the CIO Longshoremen's union was taken into custody Saturday after Federal Judge George Harris revoked Bridges' \$25,000 bail.

Counsel for the labor leader said they would ask the U. S. circuit court of appeals for a writ of habeas corpus. They also said they would appeal to a higher court for his release on bail, contending that Harris went beyond legal precedents in ordering Bridges imprisoned.

Harris held Bridges to be a menace to national security, and

# Mary Lou Vincent Married To John Kenneth Duncan

WHEN MISS MARY LOU VINCENT and Jack Kenneth Duncan of Bowling Green were married at 3 Sunday in the sanctuary of the First Presbyterian Church, the nuptial melodies were played by the bride's sister, Miss Marguerite Vincent.

The guests were seated as Miss Vincent played Andante Cantabile (Tchaikovsky), "Oh Promise Me," "Always," "At Dawn," "To a Wild Rose," Evening Star" and "I Love You Truly."

In prelude to the wedding marches, Miss Patricia Joyce of Columbus, formerly of Salem, sang "Ich Liebe Dich" (Grieg), "Because" and "The Lord's Prayer."

Twelve candelabra, holding 14 lighted candles, marked the entrance to the chancel outlined with palm, fern, ivy and ciborium fern.

Rev. Harold L. Ogden heard the exchange of vows in the sing-along service.

The bride was given in marriage by her parents, Mr. and Mrs. E. S. Vincent of E. Third st.

The groom is the son of Mr. and Mrs. Earl Duncan of Bowling Green.

**Attire of Bride**  
White marquisette over taffeta fashioned the bride's gown. Wide lace defined the square sheer yoke and the fitted bodice was buttoned down the back. The peplum attached to the full skirt was edged with wide lace forming a V into the train.

The long sleeves were pointed at the wrist and the fingertip veil of net was held in place with tarsi of seed pearls. She carried a bouquet of white roses showered with stephanotis and maidenhair fern. The pearls she wore were a gift of the groom.

Miss Naomi Ovington, maid of honor, was gowned in marquisette in a delicate pink shade. The underskirt was pink taffeta. Tiered tucking of the bodice was repeated in the full skirt. The collar was Peter Pan-styled and the sleeves were cap-effect.

Larkspur was combined with yellow gladioli florets, pansies, and maidenhair fern for Miss Ovington's bouquet and she wore the same flowers arranged in her hair.

Raymond Ladd, Jr. of Bowling Green was best man, while Dale Miller of Bowling Green and Robert Moses of Ashtabula ushered.

A corsage of stephanotis and maidenhair fern complemented Mrs. Vincent's navy blue sheer

# Patricia Joyce Becomes Bride

THE MEN'S CHOIR sang the responses to the nuptial mass for the wedding of Miss Patricia Anne Joyce, daughter of Mrs. Thomas F. Joyce of Leetonia and the late T. F. Joyce, and Warren R. Hartwig, son of Mrs. Edward H. Hartwig of Youngstown, in St. Patrick's Catholic Church, Leetonia, Saturday morning.

Rev. Fr. W. W. Maund, celebrant for the mass, was assisted by Rev. Fr. Paul C. McNally and Rev. Fr. Robert C. Fannon. Miss Birdie Brady was the organist. The altar was decorated with white gladioli.

The lovely bride was gowned in white marquisette with poplin jacket of Chantilly lace. Her finger-tip veil was held in place by a lace cap and she carried a mother-of-pearl prayer book topped with white roses.

The bride's only attendant, Miss Martha Cantwell, appeared in a summer green marquisette gown and carried a basket of garden flowers. William E. Hartwig served his brother as best man. Robert Parry ushered.

A graduate of Villa Marie School and St. Elizabeth's Hospital School of Nursing, Youngstown, the bride is one of the pediatric staff at that hospital. Mr. Hartwig, a World War II veteran, is with the Carnegie-Illinois Steel Corporation.

Upon their return from a motor trip to Canada, the newlyweds will reside at 2927 Belmont ave., Youngstown.

## Personal Notes

Mrs. E. Lacy Gibson and family of Munster, Ind., have concluded a visit with Mrs. Gibson's mother, Mrs. J. B. Martin of E. Third st., and left Saturday on a trip through the New England states.

Delbert Fowler of Penn ave is on a two-week fishing trip in Canada.

Miss Barbara Nichols of Fair ave left Sunday for Camp Mowana, near Mansfield, sponsored by the Lutheran Church, where she will spend three weeks. She was accompanied to the camp by her parents, Mr. and Mrs. Vaughn Nichols, and brothers, Roy and Lee, and Rev. and Mrs. George D. Keister.

Mr. and Mrs. Earl Mays and children, Ruth and Sidney, of Rose ave and Miss Ann Ehrhart of Penn ave are spending two weeks in Canada fishing.

Mrs. Elsie Green and daughter, Jacklyn, of E. Fourth st are vacationing in Minnesota.

Mrs. Harry Todd of Akron spent the weekend with Mr. and Mrs. John Todd of Washington ave.

Mr. and Mrs. John Park and son, Richard, of San Benito, Tex., arrived Saturday to visit Mr. Park's parents, Mr. and Mrs. L. L. Park of E. Third st.

Mr. and Mrs. Donald Rober of E. Seventh st returned Sunday from a vacation trip to the Smoky Mountains and the Sky Line Drive.

Dr. and Mrs. F. R. Crowgey of S. Lincoln ave, who visited their daughter, Diana, at Camp Farwell, Vt., returned home Sunday. Diana will be home the latter part of August.

Mr. and Mrs. Julius Bartha and daughter, Carol Lee, of E. Fourth st left today on a vacation trip to Cleveland and upper Michigan.

Mr. and Mrs. W. D. King of E. Sixth st are home from a vacation trip to Chautauqua Lake, N. Y., and Cleveland.

Mr. and Mrs. Nick Orshan and Mr. and Mrs. L. Sanders and daughter, Elaine, will leave Tuesday for Detroit, where they will visit Victor Orshan and family. They expect to return Friday.

Mr. and Mrs. Charles Snelvel of Lisbon rd are home from a trip to Pennsylvania, Maryland and New York state.

THIS SEASON'S longer (and shorter) coiffures and slimmer (and fuller) fashion silhouettes afford an opportunity for stylishly suiting individual needs. Longer hair (left) complements sleek, down-sweeping neckline, and shorter hair (right) goes well with high, upturned lapels.

# The Cookbook

By GAYNOR MADDOX  
Orange Cakes Help Budget

TIME and money always get themselves into thoughts of dinner. But even in hot weather, a good home made cake is very tempting, time and money notwithstanding.

However, these orange cup cakes are inexpensive and quick to make and wonderful to eat.

**Quick Orange Cup Cakes**  
One and one-third cups sifted cake flour.

2 teaspoons baking powder  
1/4 teaspoon salt  
1 teaspoon cinnamon  
1 teaspoon all-spice  
1/4 cup shortening  
2 teaspoons grated orange peel  
3/4 cup sugar  
1 egg  
1/4 cup evaporated milk  
1/4 cup fresh orange juice

Sift flour with baking powder, salt and spices. Cream shortening with orange peel, adding sugar gradually, and cream until fluffy. Add egg and beat until well blended. Combine milk and orange juice. Add flour mixture alternately with liquid, beginning and ending with flour.

Put paper muffin cups into muffin pans and fill each cup 2/3 full. Makes 13 or 14 medium sized cup cakes. Bake in moderate oven (375 degrees F.) for about 20 minutes, or until golden brown. Top with quick coconut orange frosting.

**Quick Coconut Orange Frosting**  
Three tablespoons butter or margarine  
1/2 cup brown sugar  
1 cup coconut  
1 tablespoon grated orange peel  
1/4 cup finely chopped orange pulp

Melt butter; add brown sugar, coconut and orange peel. Blend in finely chopped orange (made by peeling a California orange and then chopping it into small pieces).

Velvet accessories will give a fall look to a tired summer dress. A small black velvet beret, belt and gloves will give an entirely new look to a light summer print.

Women now have borrowed the shiny hatter's plush used in men's top hats, for some of fall's most popular millinery.

Nylon velvet is used for some of the newest opera pumps of the season.

**SEWING ROOM TALK**  
New pin-on buttons are on the market, in plain and jeweled versions, which need no sewing.

A new blind-stitch attachment for sewing machines makes it possible to put in hems by machine, with the effect of hand stitching.

**ENROLLS AT MOUNT**  
Clifford Ayers of Salem has been accepted at Mount Union college for the fall term, Robert W. Tripp, college registrar, announces. Ayers is the son of Mr. and Mrs. John H. Ayers, R. D. 2, Salem. He is a graduate of Salem High School and plans to major in accounting.

**RENTS AT MOUNT**  
Clifford Ayers of Salem has been accepted at Mount Union college for the fall term, Robert W. Tripp, college registrar, announces. Ayers is the son of Mr. and Mrs. John H. Ayers, R. D. 2, Salem. He is a graduate of Salem High School and plans to major in accounting.

**RENTS AT MOUNT**

# Waithman-Kersmarki Vows Exchanged In Bride's Home

WHITE EMBROIDERED ORGANDY FASHIONED the lovely ballerina length summer gowns worn by the bride and her attendant at the wedding of Miss Doris Waithman, only daughter of Mr. and Mrs. K. Russell Waithman of Morris ave, and Karl Kersmarki, son of Mrs. Susan Kersmarki of Alliance and the late Stephen Kersmarki, at 4:30 Sunday in the bride's home. Relatives and a few friends witnessed the nuptials.

Rev. E. L. Greer of Lisbon, retired Baptist minister, was the presiding clergyman for the double-ring ceremony. Mr. Waithman gave his daughter in marriage.

The bride's dress, made over blue taffeta, was designed with a roll collar, short drop sleeves, fitted bodice with tiny buttons down the front and a full gathered skirt scalloped at the bottom. Talisman roses, baby's breath and plumosa fern were combined in her corsage and she wore a halo of Talisman roses.

**Bridal Party**  
Miss Kathleen Musselman of Sebring was maid of honor for her cousin. Her dress was made over pink taffeta and she complemented it with a corsage of variegated carnations, blue statice and plumosa fern. Walter Cline of North Benton was best man.

An embankment of palms and two large basket arrangements of white gladioli made a beautiful setting for the ceremony. Artistic bouquets of vari-colored flowers were used through the home.

Just before the exchange of vows, Willard Keast of North Lima sang "I Love You Truly." He was accompanied on the accordion by Mrs. Keast, cousin of the bride, who also played the "Bridal Chorus" from Lohengrin.

Mrs. Waithman chose a green sheer for her daughter's wedding. Mrs. Kersmarki was dressed in a navy and white print. Both wore

corsages of white pompons and stephanotis.

**250 At Reception**  
Two hundred and fifty guests attended the reception. Green and white tones predominated in the lovely decorations on the buffet table, which was laid with a lace cloth. The traditional wedding cake was topped with an arrangement. Tall white candles in crystal candelabra were lined with shasta daisies and the same flowers also formed a wreath around the edge of the table.

Assisting the hostess were Mrs. Gladys Wilt, Mrs. Myron Charlton, Mrs. Ura Hopkins, Mrs. T. R. Corrigan, Mrs. Allen Helms, Miss Edna Thompson and Miss Lorena Davis. Miss Donna Schoss presided at the guest book.

Some of the guests were from Salem, New York City, Alliance, Sebring, North Lima, Columbiana, Warren, Canfield and North Benton.

When the bride left on her honeymoon trip she was wearing a cinnamon-colored suit with forest green accessories and her bridal corsage. The trip will include points in Virginia, the Sky Line Drive and Washington, D. C.

Mrs. Kersmarki graduated from Salem High School and is employed in the traffic department of the Ohio Bell Telephone Co. Mr. Kersmarki graduated from Sebring High School and is an employee of the Strong Enamel Co., Sebring.

Mr. and Mrs. Kersmarki will reside on Indiana ave., Sebring.

Mrs. J. P. Mearns, 408 Madison St., New Orleans, La., can't imagine a person who is sick and run-down not using RADACOL. She says she continually sings the praises of RADACOL to all her friends. Mrs. Mearns was suffering from deficiencies of Vitamin B1, B2, Nicotin and Iron, which RADACOL contains.

Here is Mrs. Mearns' own statement: "I have taken at least 5 bottles of RADACOL. Before I took RADACOL, I was very nervous. My family was affected too, because I was so irritable. I tried many things to relieve my system of this nervous condition but they gave me hardly any relief at all. Then my sister suggested I take RADACOL, and I started taking it immediately. After the second bottle I felt like I had taken all the troubles of the world off my shoulders. My nerves are now so steady as ever. My family thinks RADACOL is wonderful because my disposition is now better and I am not the least bit irritable. That's because I always have a bottle of RADACOL in the kitchen shelf. RADACOL is the most wonderful product on the market."

**Give RADACOL a Chance**  
to help you. If your system lacks these essential elements, you, too, will be amazed at the wonderful results RADACOL can bring you, as it has to thousands and thousands of other fine folks who suffered a deficiency of Vitamin B1, B2, Nicotin and Iron, which RADACOL contains. RADACOL helps build up the hemoglobin content of your blood when Iron is needed to carry these precious Vitamin B1 and B2 to every organ, and every part of your body—to the heart, liver, kidneys and lungs, even to the eyes, hair and nails.

RADACOL is that wonderful new preparation—promising blessed relief for your indigestion, stomach disturbances (gas, heartburn, sour "rueing" after meals), for normal growth in children, as well as that general run-down condition, and aches and pains of arthritis, if your system lacks Vitamin B1, B2, Iron and Nicotin.

RADACOL is being recommended by many doctors. RADACOL is so amazingly successful because it supplies your system with Vitamin B1, B2, Iron and Nicotin. It acts directly to relieve this deficiency—the real cause of your trouble. That's the kind of product you want—the kind you should buy—the kind you should start taking immediately.

**Only One Genuine RADACOL.**  
Don't go through life suffering such foolish torture from your stomach or aches and pains of arthritis when relief is so close at hand as the RADACOL drug store for satisfaction from these deficiencies. Buy RADACOL today. Trial size bottle only \$2.50. Large family or hospital size \$2.00. Refect substitution. There's only one true and genuine RADACOL.

# Mary Sigle, James Feicht Wed In Church Ceremony

MISS MARY ELIZABETH SIGLE WAS MARRIED to James R. Feicht in a candlelight service at 3:30 Saturday in the Calla Evangelical Church.

The bride is the daughter of Mr. and Mrs. Ernest E. Sigle of the Calla-North Benton rd. Mr. Feicht is the son of Mr. and Mrs. Howard Feicht of R. D. 3, Canfield.

White gladioli and carnations amidst palms and ferns decorated the altar for a service conducted by Rev. Gail Bergstresser. Robert Zimmerman, soloist, and Mrs. Helen Boyer, pianist, presented the musical prelude.

The bride wore a satin gown that was designed with a wide lace bertha edging the net yoke. Her lace edged veil of illusion was attached to a lace cap. She carried a white orchid encircled with white roses.

Mrs. Harold Barre, matron of honor and a former classmate of the bride, wore orchid satin and carried yellow gladioli.

Bridesmaids, Miss Eileen Crum and Miss Ernestine Sigle, appeared in aqua satin and carried deep maroon gladioli.

The little flower girls, Kathlene and Madalon McDonald, were dressed in yellow taffeta and carried colonial nosegays. Vernon Feicht was the best man. George Sigle and Ernest Sigle, Jr. seated the guests.

The reception was held in the church social room. Pastel summer flowers formed the decorations. The supper table was graced with gladioli and white candles in crystal.

The bride graduated from Greenford High School and attended Kent State University. She is a teacher in the Canfield High School. Her husband graduated from Greenford High School and is a carpenter. He is employed by the Stanley Young Construction Co., Youngstown.

## Baptist Picnic Set

The Woman's Missionary Society of the First Baptist Church will hold its annual picnic meeting Tuesday evening at the home of Mrs. M. P. Livingston, Salem-Leetonia rd. There will be a coverdish supper at 6:30. Husbands and families of the members will be guests.

## Will Have Luncheon

Members of the Presbyterian November committee will have a

coverdish luncheon at 1 Wednesday at the home of Mrs. Harry Sherwood on the Georgetown rd. Mrs. Howard Milligan and Mrs. Sherwood are co-committee chairmen.

## Employees Hold Outing

Employees of the Paxson Machine Company held their annual outing Saturday afternoon at Woodland Park, near Homeworth, with 50 in attendance. After a picnic dinner the group enjoyed a program of contests. A ball game was featured.

## 4-H Club News

GOSHEN BETTER GROWERS met with Wendell Stanley Monday evening, July 31. A safety tour through the Stanley farm was directed by Harold Courtney.

Blood testing of heifers for the Mahoning county fair exhibit was discussed. Robert Hanna, Mahoning county agent, tested the heifers Aug. 1.

Lunch was served by Mrs. Merlin Stanley, Wendell's mother. The next meeting will be held Aug. 9 with Harold Courtney.

HAPPY GO LUCKY club projects were judged Monday by Mrs. Helen Frock, Mahoning county demonstration agent, at the home of Miss Ruth Martig, one of the leaders.

Project books were completed when the group met with Carol and Nancy Buttermore with eleven members and two visitors present.

Pledge of the flag and the 4-H pledge were given and roll call was answered by telling what part of their project they liked best.

BUTLER JOLLY WORKERS projects will be judged by the acting home demonstration agent of Columbiana county when members meet with Carol Edgerton Tuesday at 10 a. m.

This was announced at a meeting Thursday with Shirley Nutt. The play which the club will present at Willow Grove grange Aug. 11 was rehearsed. "How to put a zipper in a dress" was demonstrated by Shirley Nutt.

# Mary Mellinger To Marry Aug. 19

MR. AND MRS. Lester J. Mellinger of Leetonia announce the engagement and approaching marriage of their daughter, Mary Jane, to Richard F. Cave of Fredonia, N. Y., son of Mrs. Mabel Roberts, Forestville, N. Y.

Saturday, Aug. 19, has been chosen by the future bride for her wedding day.

The ceremony will be solemnized at 3 in the St. Paul's Lutheran Church, Leetonia, by the pastor, Rev. T. P. Laughner. The reception will be held at Miss Mellinger's home.

Miss Mellinger graduated from the University of Rochester School of Nursing and is a physiotherapist at Brooks Memorial Hospital in Dunkirk. She also attended Kent State University. Mr. Cave is with the Dunkirk Ice Cream Co.

## Salem Youths Entertain At St. Jacob's Outing

The Quaker Quartet — Ben Bailey, Robert Zimmerman, Robert Tarzan and Richard Dougherty—gave a group of selections at the annual outing of St. Jacob's Evangelical & Reformed Church Friday evening at Firestone Park. Clyde Aldridge entertained with harmonica and guitar selections. Rev. Harold Davis of Hawley, Pa., contributed a humorous talk.

Amusements included a ball game and contests for the children. Approximately 150 enjoyed a picnic supper.

# What About the FUR TAX?

It was the hope of everyone that the 20% fur tax would be reduced, as most furs are not just a luxury, but are desirable for warmth and comfort.

Because of world conditions today, it appears that there will be no tax relief this year. Therefore, we recommend to you who plan to buy a fur coat this year that you make your selection early so as to have "Cream of the Crop" choice.

It is our opinion that the consumer is actually better off price-wise with a 20% tax than she would have been had a tax reduction taken effect. It is a well-known fact that several months ago, when talk of a possible fur tax reduction appeared likely, skin prices in the fur auctions began to rise. It is a common knowledge that the 20% tax has had a depressing effect on the fur industry with the results that fur prices were held at reasonable levels.

It is our opinion that with reduction in fur tax, this depressing effect would have been eliminated and fur prices would have continued to rise so that even with a tax cut, the consumer would have to pay more for a fur coat than she will now. To our mind, the consumer is better off to pay \$295 plus 20% tax for a fur coat than to have tax relief and higher prices and pay \$395 without tax for the same coat.

Psychologically, no one likes to pay a tax, but there's a tax on practically everything. In most cases it's hidden so you don't even think of it, but it's the final cost that counts regardless of what the tax may be.

However, should there be a tax reduction between now and the time you take your coat out, Strouss-Hirshberg's will charge you only the prevailing rate of tax at the time we deliver the coat to you.

Why wait and deny yourself the beauty, comfort and warmth of a fine-quality fur coat?

Store Hours - Monday 12:30 to 9:00 Tuesday thru Saturday 9:30 to 5:00

# Yankees' 9-0 Win Shoves Tribe Into Third

## Open Road Trip Against Browns

Byrne Hurls No-Hit Game Until 7th Inning

By Associated Press

THE Cleveland Indians leave for St. Louis today just as far behind first place Detroit as they were when they started a home stand July 25.

They won 13 of the 17 games on their home stand but caught the train still in third place, three and a half games off the pace.

Manager Lou Boudreau had predicted a Cleveland pennant if they could take over the lead during the stand.

New York ended the Tribe's brief stop in second place yesterday, 9-0, on the pitching of Tommy Byrne and the batting of Phil Rizzuto and rookie Bill Martin.

Byrne limited the Tribe to three hits, all of them singles, and had a no-hitter until the seventh. Bob Kennedy got the first blow then. Larry Doby and Bob Avila got the others in the eighth and ninth.

Martin, just up from Oakland in the Pacific Coast League and starting his first game for the Yankees, belted a homer in the fifth with Joe DiMaggio and Bobby Brown on base.

Rizzuto drove in four runs. His double in the third scored Brown and Martin. His triple in the fourth scored Byrne and Woodling.

**THE LOSS SNAPPED** a nine-game winning string for pitcher Bob Lemon, who was driven from the mound in the third. He was followed by four other Tribe choppers—Sam Zoldak, Marino Pieretti and Dick Rozek.

A crowd of 68,726 turned out to watch the Yanks lift the rubber game of the series. The 173-456 total for the series set a new three-day stadium record for this season.

Tomorrow the Indians will play the first of three games at St. Louis. After that they go to Chicago for three more games and then return next Monday to play Detroit.

Yesterday the Giants reached the peak of their current drive as Larry Jansen and Sal Maglie turned back the Pittsburgh Pirates, 5-0 and 3-0.

Jansen gave up only five hits, walked none and fanned seven in posting his 13th victory and fourth shutout.

The Giants cuffed Bill Werle for ten blows including home runs by Monte Irvin and Whitey Lockman.

Meanwhile, the Cardinals checked their downward plunge and tightened up the race by taking a doubleheader from the Phils, 7-1 and 2-0. The Cards had lost seven out of nine games and dropped 6½ games behind before righting themselves.

**THE SECOND PLACE** Boston Braves advanced to within three games of the Phils by dividing with the Chicago Cubs. Johnny Sain pitched the Braves to a 5-2 decision in the opener, his 10th victory of the year, top output in the National League. The Cubs took the nightcap, 9-1, behind the six-hit pitching of Frank Hiller.

Brooklyn missed an opportunity to pick up a big chunk of ground by losing an 11-7 game to the Cincinnati Reds. The Reds mauled four Dodger pitchers, starting with Ralph Branca, for 16 hits. Ewell Blackwell went all the way to square his record at 11-11.

Old Dizzy Trout pitched the American League's front-running Detroit Tigers to a 4-0 seven-hit victory over the Washington Senators. The conquest boosted the Bengals' margin to three games over the New York Yankees.

Boston took a pair from the Chicago White Sox, 9-2 and 4-3. Ellis Kinder stopped the White Sox on five hits in the first game and drove in six runs, four on a grand slam homer.

The Red Sox pulled the nightcap out with two in the ninth to give Joe Dobson his 12th victory.

Three run homers by Dick Koks and Owen Friend sparked the St. Louis Browns to a 10-3 victory over the Philadelphia Athletics that enabled the Browns to vacate the basement in favor of the A's.

## 'Beaten By Better Team' Says Brautigam After 30-2 Loss

As every local baseball fan now knows, the Salem Legion was defeated (but good) 30-2 in the finals of the state Junior Legion tournament at Columbus Saturday. Their victors, the Galion club, went through the tournament undefeated.

"Although it seemed that every

break went against us and we were operating with tired pitchers," said Coach Chet Brautigam, "I'll have to say that over the whole tournament, Galion had the better team."

He pointed out that Galion had rested since Thursday morning and had five pitchers ready for action. Their team was better defensively than Salem's and equal in hitting.

"A couple bad errors in the first inning got us off on the wrong foot," Brautigam recalled, "and from there on everything went wrong."

Galion scored in every inning, capping their offensive show with an 11-run rally in the eighth inning. The 30 runs scored set a Junior Legion tournament record. Their shortstop, Ray Seif, hit three home runs and two singles. Two of the homers were line drives over shortstop, which took high hops over the Salem left-fielder's head.

Brautigam used four pitchers, Bob Coy, Bob Theiss, Jim Cosgarea and Gordon Birkhimer, in the game, trying to stem the Galion scoring. Cosgarea worked with a painfully bruised finger, injured Friday.

Salem committed nine errors and the pitchers gave up 25 hits and walked nine. Brautigam laid most of the blame for the high score to the errors, estimating the score should have been about 6-2.

"If the errors hadn't been committed," he said, "the hit total wouldn't have been so high."

While Salem was beaten by a superior team, most observers agreed that the difference was not as great as the score indicated.

The Legion nine will receive silver trophies for winning the runnerup spot in the tournament.

Tuesday night the team returns to the wars, playing a summer league game at East Liverpool. Thursday or Friday night, they'll have a home game at Centennial park.

In his first season in pro baseball, 1947, Brooklyn pitcher Chris Van Cuyk won 25 games and lost but two for Cambridge in the Class-D Eastern Shore League.

## 3 Dark-Horses Pace All-American Open

CHICAGO, Aug. 7—(AP)—The \$15,000 All-American tourney, supposed to be a proving ground for gold's sharpest gold-diggers, today shaped up as a poor man's outing as it plodded into the third round.

The three top half-way shooters, led by Dave Douglas, the stringbean Scot from Newark, Del., with a 3-under-par 141, own a combined paltry 1950 golf bankroll of roughly \$7,000. That includes a year's take of \$3,518 by Douglas, \$3,313 by runner-up Ed Furgol of Royal Oak, Mich., who has 142; and \$377 earned by third-spot Skeel Riegel of Tulsa, Okla., riding two strokes off Douglas' pace with 143.

This trio paces such prodigious money-grabbers as Sammy Sneed, leading the pro dollar list with \$26,223; Jim Ferrier, runner-up with \$16,246; Jimmy Demaret, who has banked \$14,676; defending champion Lloyd Mangrum, with \$12,855, and visiting British Open Champion Bobby Locke.

Sneed is in the best position to head off the dark-horse threesome. Sam is notched at even par 144 with three others, Fred Hawkins, Herman Keiser and Skip Alexander.

The 72-hole All-American is paying off a \$2,500 winner's swag. It is more or less a "qualifying" affair for the \$50,000 "world" meet which starts at Tam-O-Shanter next Thursday.

The pace set by Douglas, who yesterday tacked a 71 to his opening 70, presages the highest 72-hole count in the All-American since Jug McSpaden and Buck White tied at 282 in 1943.

Promoter George S. May wanted his course, in previous years mauled for sub-70 rounds, to be tough this time. He placed the pins in tricky spots and let the fairways grow a five o'clock shadow. As a result, Herman Barron of White Plains, N. Y., 1946 winner, has the only under-70 round, a 69 yesterday.

## Mrs. Roose Hits 99 For 100 In Shoot Here

Mrs. Gail A. Roose, competing in a practice trap shoot at Salem Country Club Sunday, broke 99 of 100 birds from the 16-yard line. It was the best shooting she had ever done, although she is a veteran at the trap game.

A broken trap forced Mrs. Roose and the rest of the group to shift traps during the middle of her string and possibly disturbed the rhythm of her shooting. She missed her only bird on her last shot on the faulty trap.

She broke 76 consecutive birds, missing the 77th. Then she hit the next 23.

## Humble Tells Brown He'll Play Football

BOWLING GREEN, Aug. 7—(AP)—Weldon Humble, a guard for the Cleveland Browns for three years, has changed his mind and will play another season.

The former Rice University star notified the football club two weeks ago that because of his bank job in Houston, Tex., he would not be back this year. But yesterday he talked with Coach Paul Brown by phone and said he has been granted a leave of absence and would play for the club again.

Brown said the player also explained that because of the possibility of his being called to active duty by the Marines, he had wanted to remain near his family.

Humble, a reserve officer, said yesterday, however, that he did not believe he would be called until after the football season.

His return will relieve a critical guard situation. Abe Gibrin, the only experienced offensive left guard in camp, wrenched his knee and ankle in a workout Thursday.

Another left guard, Alex Agans, suffered an eye injury in Saturday's intra-squad game.

Wendell Ashby, Geneva, Ala., Cardinals' catcher, established an Alabama State League record when he hit four consecutive doubles in a recent game with Andalusia.

**50 Ford**

For the second straight year, Ford has received the Gold Medal award as "Fusion Car of the Year." And its good looks are matched, as owners will tell you, by its fine-car quality. Take a "Test Drive" in this '50 Ford and you'll find it has the "feel" of America's finest cars, too. We call it "big-car roadability"—you'll call it the smoothest, quietest ride on wheels. You'll agree Ford's

**THE ONE FINE CAR IN THE LOW-PRICE FIELD**

Compare the '50 Ford, feature for feature, with cars costing hundreds more! Only Ford, in the low-price field, offers an engine choice of either the 100 h.p. V-8 or its companion-in-quality, the 95 h.p. Six! Only Ford offers a "Lifeguard" Body! Only Ford offers 35% easier-acting King-Slee Brakes! And no car offers a bigger combination of savings—savings in original cost, savings in running costs and the long run savings that result from Ford's high resale value.

**"TEST DRIVE" IT AT YOUR FORD DEALER'S TODAY!**

## Company Lets Plant Contract

Columbiana Building Will Cost \$100,000

COLUMBIANA, Aug. 7—Paul Frank, National Rubber Machinery Company president, today announced that the company has let a contract to Earl Newell, local contractor, for the construction of a plant addition. To be made of structural steel, the building will be 180 feet long and 62 feet wide.

An additional 12,000 square feet of floor area will be added to the machine shop division. Paul Ross is manager of the local machine shop. The contract amounts to approximately \$100,000 and the building will extend north from the present assembly floor to within 60 feet of Union st.

The plant expansion will mean an additional 50 employees will be put on the plant payroll. Approximately 250 men and women are now employed here. Work will start on the addition immediately and the erection is expected to be completed by November.

### Stole Home For \$18

VINELAND, N. J., Aug. 7—(AP)—Someone stole home at Vineland's municipal baseball field. But the feat didn't get into any baseball score book—police put it instead on their blotter.

They said someone literally stole home plate. Tire tracks found on the field showed someone had backed a car onto the baseball diamond last Thursday night and ripped out the 18-inch pegs which held the plate to the ground.

Police said home plate was valued at \$18.

### LOAN OFFICE CITED

Jack Barnard, manager of the City Loan office, has returned from Lima where he attended a two-day meeting of managers. Seventy-eight employees were honored with service pins and bonus awards were presented for members of the Salem office staff.

Cartoon and News

IN THE FACE OF the alimony woes that caused him to seek relief in court a few days ago, dashing screen star Errol Flynn tacitly admits he is planning another venture into matrimony—his third. Rumors had linked him with Irene Ghica, Roumanian princess, but he is going to wed actress Patrice Wymore, shown with Flynn at a Hollywood night club. She is 21; the marriage will be her first. She is from Kansas.

## Obituary

### Edward R. Myers

COLUMBIANA, Aug. 7—Funeral service for Edward R. Myers, 64, of 131 N. Main st., who dropped dead at 10:55 a. m. Saturday in the Smith furniture store, S. Main st., will be held at 2:30 p. m. Tuesday at his home. Burial will be in the Columbiana cemetery.

Friends may call at his home this evening.

A son of Mr. and Mrs. Isaac Myers, he was born Nov. 13, 1886 at New Middletown, Mahoning County. A machinist, he was employed at the Enterprise plant for 40 years. He was a member of the Grace Evangelical and Reformed Church.

In 1906 he was married to Meta V. Werner, who survives with two sons, Robert H. of Columbiana and Wilbur of Huntington, W. Va., and four grandchildren.

### Mrs. Charles S. Baisler

POLAND, Aug. 7—Mrs. Clara J. Baisler, 72, of R. D. 2, Poland, died at 7 a. m. Sunday at St. Elizabeth's Hospital in Youngstown after a five-months illness.

Born April 30, 1878, at Petersburg, the daughter of Jacob and Sarah Hofmaster-Reiter, Mrs. Baisler spent her entire life in this area and was a member of the old Springfield Lutheran Church in New Middletown. She was married to Charles S. Baisler, who died in 1932.

Survivors include two sons, Rev. George of New Kensington, Pa., and Clarence of New Middletown; two daughters, Sarah C. and Annabel I. of Poland, and four grandchildren.

Funeral service will be held at 2 Wednesday at the old Springfield Lutheran Church, with Rev. Carl Duwe officiating. The body will lie in state at the church for an hour preceding the service.

Friends may call Tuesday evening at the Fry funeral home in Columbiana.

## Eleven Hurt

(Continued from Page 1)

who fined him \$10 and costs for driving left of center.

### Auto Badly Damaged

In a hit-skip accident at midnight Sunday on Route 14, five miles north of Salem, the car driven by Richard Ailes, 27, of North Benton was sideswiped by an unidentified car.

### Rams Into Car

The auto operated by Paul Sudimak, 28, of 603 E. State st was slightly damaged in a two-car accident at 6 p. m. Sunday on Route 45, 1½ miles north of Salem. Patrolmen said Sudimak stopped on the highway and the car driven by Algie Burr, 52, of Jefferson ran into the rear of the Sudimak vehicle.

### Vehicles Collide

When Elsie Adams, 65, of Salineville swung to the center of the road to make a left turn, the car driven by Don Dobina, 25, of Canton attempted to pass her car on the right side and the vehicles collided at 9:30 p. m. Sunday on Route 39, near Salineville.

### RELIEF LOAD DROPS

CLEVELAND, Aug. 7—(AP)—The number on relief here last month was smaller than at any time since October. Relief commissioner John J. Pokorny said the drop apparently was the result of the Korean dispute and industrial acceleration. The total for July was 4,054.

REPORTING before the Senate Banking Committee in Washington, Attorney General J. Howard McGrath reveals that the Administration does not favor drastic wartime controls now. McGrath adds, however, that the Cabinet feels that voluntary restrictions will not work.

### FINED ON LIQUOR CHARGE

CHARDON, O., Aug. 7—Grant Eaton, 49, president of Kiwanis Lake's community club in Newbury township was fined \$25 and costs yesterday for selling six per cent beer without a permit. Farrell J. Finnerty, 42, the bartender was fined a similar amount on charges resulting from a raid by state liquor agents.

## Korea

(Continued from Page 1)

m. (4:30 p. m. Salem time Sunday).

The attacking U. N. troops lunged from the east and south-east toward the main road between Chingam and Red-held Chinju, 55 miles west of Pusan. Chinju, now a rubble city, has been the springboard for frequent Red thrusts at Pusan.

General MacArthur's headquarters in Tokyo said the attack was progressing on schedule. It was called an offensive—not a counter-attack. The U. N. forces late Monday were about 15 miles east of Chinju.

Tanks' Advance Slowed Don Whitehead, Associated Press correspondent with the Americans, reported they met a swift and hard counter-attack from the Reds on the right flank after ramming a big dent in Communist lines.

The counter-thrust prevented the use of new 45-ton General Pershing tanks which were ready to add power to the American punch.

Use of the big tanks by the attacking Americans was delayed further by a road bottleneck. The tank tieup was reported by Lt. Herman C. Mitchell of Roanoke, Va., who flew over the battle area for six hours.

Mitchell said the tanks were stalled on the road west of Chindong, five miles east of Kogan. He said Red artillery had stopped one big tank and the other tanks were backed up behind it.

The Communists had artillery mounted southwest and northwest of Chindong. Associated Press Correspondent Leif Erick-

son reported from U. S. Eighth army headquarters in Korea. Numerous American air blows at the Red artillery had failed to silence the guns late Monday afternoon.

### Marine Anniversary

TOKYO, Aug. 7—(AP)—Units of the U. S. First Marine brigade went on the offensive today in Korea on the eighth anniversary of the landing of the First Marine division at Guadalcanal in the second world war.

of the landing of the First Marine division at Guadalcanal in the second world war.

KILLED IN CRASH SHELBY, Aug. 7—Ona Longworth, 23, of Celina, was killed instantly today when the car in which she was riding hurtled out of control and struck a tree on U. S. Route 66.

First of the Fine Cars in Value

YOU can see this man has made his mark in life, and while his heart's still young.

You can tell he likes action for his money—that he knows a fine car needn't be the most expensive to give the greatest value.

Yes, such are the things you know of any man, when you note that his car is a ROADMASTER.

Follow him on his spirited way as he pilots this lively motorcar through traffic. Even the lightweights are no match for this road-steady husky—not with the 152-horsepower straight-eight Fireball engine that purrs beneath its bonnet.

Maneuver beside him at the next stop light. Then just try to get away as

smoothly, swiftly and silently as Dynaflo Drive gets his ROADMASTER going—and keeps it rolling without shifting, even automatically.

But don't waste time merely envying the man in this great car! Why not emulate him?

With all its outsize room, interior luxury and exterior grace—with all its front-rank prestige, rare performance and matchless ride—a ROADMASTER can be yours for less than some smaller cars cost.

In fact, even if you had a fortune to spend, you couldn't make a more fortunate buy in the fine-car field.

So we suggest you try a few minutes behind the wheel. We're confident they will convince you that ROADMASTER

has everything you could ever ask for in any motorcar—although your Buick dealer asks a good bit less for ROADMASTER than you might pay for, other top-line cars.
